

Recomputing ReadBasix scores for assignment with missing data

1 Click on the Assignment that you want to rescore.

The screenshot shows the Capti Assess interface. At the top, there are dropdown menus for 'Middle School' and 'All Assignments'. Below these are four navigation buttons: 'Quick Start', 'Students', 'Assignments' (highlighted in red), and 'Reports'. The main content area displays a list of assignments under the 'Active' tab. The first assignment, 'G7 Spring (4.26)', is highlighted with a red circle. Below the list, there is a pagination control showing 'Display 30 per page. 3 total.'
